

MCCNNY 2018

*October 27, 2018
Clarkson University*

Panel discussion will be held during lunch time (12pm--1pm in Snell 212)

Panel members on career, RUE and graduate school:

- **Garry Bowlin**, Garry@epic.com

Garry Bowlin obtained his B.Sc. in Mathematics from Clarkson University in 2003. He completed his Ph.D. in Mathematics at State University of New York at Binghamton in 2009. He is currently a software developer at Epic and resides in Madison, Wisconsin. Garry's main mathematical interests are in graph theory and combinatorics. He has published in journals such as Electronic Journal of Combinatorics, Journal of Knot Theory and Its Ramifications, and New York Journal of Mathematics.

- **Tyler Cook**, tcook@mohawkas.com

Tyler has a math degree from SUNY Potsdam. He is currently a CRM Database Manager at Casino Resort located in Massena.

- **Daniel Fuller**, fullerdt@clarkson.edu, Clarkson undergraduate alumni and current PhD student in math at Clarkson University, working with Prof. Sumona Mondal.

- **Noah Chicoine**, chicoinc@clarkson.edu

Clarkson Honors Program undergraduate student majoring in math, REU experience at California State University at Chico on studying heat conduction and diffusion between contacting solids during summer 2018; Clarkson Department of Mathematics teaching assistant for Differential Equations and Calculus courses.

- **Brian Kuhns**, kuhnsbt@clarkson.edu, Clarkson University undergraduate student, major in math. During summer 2018, Brian conducted research with Prof. Diana White

- **Prof. Tino Tamon** from Clarkson University, organized and directed REU students many years at SUNY Potsdam-Clarkson REU in Mathematics

- **Prof. Joel Foisy** from SUNY Potsdam, organized and directed REU students many years at SUNY Potsdam-Clarkson REU in Mathematics
